VISION

Krishna Public School as a flourishing institution has proved itself as a landmark in the field of education. The mission has always been 360 degree development of students. We nurture them with perfection and excellence our modus operandi aims to make them interactive, ethical, concerned, wise and progressive.

MISSION

The mission of KPS has been to make a child competent and confident not only to earn livelihood but also to face the world. Our role lies in shaping of the personality of child into a healthy soul, who is not only equipped with 21st century skills and aptitude required for academic excellence but helping him face the challenges of life in a balanced and harmonious way.

Message from the Manager

Krishna Public School Utai-Bhilai

Mrs. Kunjlata Tripathi

An individual's success depends on 'Time' & 'Commitment'. 'Commitment' ignites action, while time boundation triggers implementation. To commit is to pledge yourself to a certain line of conduct. There is an old saying "Stand for something or you will fall for anything". To follow it without a flaw, you should firstly have a sound set of beliefs and secondly a faithful adherence to those beliefs with your behaviour. Possibly the best description for above is "Persistence with a purpose".

Hurdles or problems cannot be avoided, like the monsoon, they will come in regular intervals. You just need to keep the raincoat handy to not let the spark and the commitment die. Keep it alive dear students, in fact make it live long.....

Message from the Principal

Krishna Public School Utai-Bhilai

Dr. (Mrs.) Prashi Tiwari

It take immense pleasure to address you all as the Principal of the school, a branch of the reputed Krishna Institutions that is well rooted in the traditional Indian culture, yet modern to help the students to look forward to cater to the growing need of globalisation in all sector.

All the pioneers, who have laid down a strong foundation in more ways than one, have granted me this prodigious opportunity to explore new frontiers in inspirational teaching, to motivate & encourage children in diversified learning.

KPS Pre Primary Wing

KPS Pre Primary Activity

Features of the School

Laboratories

Well-equipped labs of Physics, Chemistry, Biology, Computer, Home Science & Maths are in the school. These are made in the most modern way with a capacity of 45 students, at a time.

Computer Education

Computer education is an integral part of the school curriculum. Computer labs are well equipped with Pentium computers and Laser Printers where students are exposed to Windows and other high - level languages, Wi fi facility is also provided.

Transport

The school management ensures safe, secure and comfortable journey for the pupils. The school makes arrangement to drop and collect students from various destinations.

Features of the School

Social Activities

School organizes Sports Day, Teacher's Day, Annual Day, apart from many other functions. Children are involved in these functions. They also go out for touring and camping. For every activity, they work in groups.

Special Assembly

To inculcate a high sense of National Integrity and Universal Brotherhood, each working day in the school starts with morning - assembly, including school prayer, devotional and patriotic songs. Stress is also laid on the moral development of the students. News - reading, reciting poems with full actions, moral teachings and singing songs in chorus are the remarkable features of the Morning Assembly.

House System

To induce leadership quality, healthy competition and team spirit, co-curricular activities are introduced on House - basis.

Library

Computerized library with a large volume of books, periodicals & course - oriented journals are the special features which help us to shape a student into a versatile genius. It's open between 8:30 am & 4:30 pm.

Features of the School

Medical Checkup

A complete medical check up of students is done by the visiting doctors authorised by the school. A separate health card is maintained for every student. Parents are informed of the health of the child in case any special attention is needed.

Educational Visit

Children learn many things from the neighbourhood community. These include people, places and things found in the community which facilitates learning with real life experiences.

Summer Camp

Knowledge in any field is always an asset. With this motto summer camp is organised and children are taught cooking without fire, origami, decoration, apart from music, martial arts and fine arts.

Music and Dance

School has separate Music and Dance rooms for the students. Students have participated in national level dance competitions in Pragyotsava and Shimla. They brought accolades for the school in various categories.

Features of the School

Physical Education

Yoga, Mass P.T./drill aerobics classes are imparted daily as part of Physical Education. Outdoor and indoor games encourage healthy sportsman spirit and build a sound body and a healthy competitive spirit among the students.

Cultural Activities

School gives lots of opportunities for self-expression and advancement of the cultural heritage. On Saturdays there are special programmes like dramatics, dance, music & fine arts. Every child gets the opportunity to participate.

School Campus

School Entrance is adorned with beautiful lush green garden and beautiful flowers. It adds to the aesthetic beauty of the school building.
